May God Bless you and keep you.

May God's face shine upon you and be gracious unto you.

May God give you grace not to sell yourselves short,

Grace to risk something big for something good,

Grace to remember that the world is now too dangerous  
for anything but truth,

and too small for anything but love.

May God take your minds and think through them.

May God take your lips and speak through them.

May God take your hands and work through them.

May God take your hearts and set them on fire.

**\*Choral Blessing 425 VU God Dismiss Us With Your Blessing**

God dismiss us with your blessing

Fill our hearts with joy and peace

Let us each your love possessing

Triumph in redeeming grace

O refresh us, O refresh us

Travelling through the wilderness.

Thanks we give and adoration

For your joyful gospel sound

May the fruits of your salvation

In our hearts and lives abound.

May your presence, may your presence

With us evermore be found.
