***Call to Worship** (*inspired by Psalm 98*)

Can we imagine the whole of planet Earth
singing as we come to worship God?

**Birds dawn-chorusing, bees humming,
and elephants trumpeting.**

**Seas roaring, rivers applauding,
hills singing a chorus of joy.**

God's steadfast love and faithfulness is for us
and for all creation.

**And so the orchestras are performing, the jazz
bands are improvising, the choirs are harmonizing,
and the popular musicians are singing and playing.**

God has done marvelous things!
And the music will never end.
