**Call to Worship**

Are we ready for the message that will be revealed today?

**We come with hearts open, minds open, lives open  
to a message of change and transformation.**

Will we want to justify away the doubts and the challenge?

**We come to be renewed, refreshed, reminded  
that a life of faith is strengthened by doubt  
and refined by challenge.**

Will we sing and say and pray our words to the Holy One?

**We come with hearts open, minds open, lives open  
to a message of change and transformation.**

**Let us worship God.**

May God Bless you and keep you.

May God's face shine upon you and be gracious unto you.

May God give you grace not to sell yourselves short,

Grace to risk something big for something good,

Grace to remember that the world is now too dangerous

for anything but truth,

and too small for anything but love.

May God take your minds and think through them.

May God take your lips and speak through them.

May God take your hands and work through them.

May God take your hearts and set them on fire.

**\*Choral Benediction 211 MV** Go Now in Peace, Guided By the Light

Go now in peace, guided by the light of Christ

So you may be nourished by the Word of Life.
